

MET Technician

Based in Croydon We are a state of the art, multi-manufacturer approved bodyshop in the South East, needing to expand our MET Team for the evening shift.

We have a large volume of prestige vehicles through our workshops on a daily basis so you must be able to achieve targets set whilst still maintaining a high quality of workmanship.

Duties will include, stripping and fitting of electrical and mechanical trims, panels and all components to return vehicles back to pre-accident condition.

Strictly adhering to Manufacturers' repair methods to ensure a high quality of repair is maintained at all times.

Carry out fault finding and diagnostics using a varied range of Manufacturer Approved equipment.

Ensure all repairs are carried out within the estimated times.

Liaise with Parts department to ensure correct parts are ordered to avoid repair delays and all unused parts are returned for credit.

Carry out final quality control checks and road tests as necessary to ensure repairs are carried out to our exacting high standards.

ATA qualification beneficial, previous experience as MET Technician essential.

Holidays: 28 days per year, to include public holidays

Permanent position.

Salary: Top rates of pay, depending on qualifications
